

# ★ The Bravos: Missionaries to Chile

April 2023

Dear friends and family,  
With joy in our hearts, we share with you our prayer letter to give you a report on the ministry in Chile.

## **SUMMER:**

We end the summer grateful to God for his work in the lives of young people. Through the camp activities, young people were able to hear the Word of God. Some of them made a decision for Christ and others dedicated their lives to the Lord.

## **STUDENTS:**

Adolfo and Jessica began this month their first year of studies at the Bible Institute. A few years ago, we were able to guide Adolfo to Christ, who was a police commissioner for thirty years and his testimony is impressive. It fills us with joy to see that he is now with his wife studying the Word of God. For many years Jessica has wanted to be a missionary. Let us pray that the Lord fulfills His will in their lives.

## **EASTER:**

The Saturday before Easter, we performed an evangelistic musical and God used Melissa to create and direct this beautiful play. Thirty people from our church worked hard to in the preparations and presentation of it. That day, there were about 200 in attendance and several people gave their lives to Christ and other believers confirmed their

commitment to the Lord. We give glory to our God for all that has been accomplished. Now we are working on discipling those people.

**LAND:**

Many of you know that by the grace of God we have been able to buy land to build our church building. It is a one-and-a-half-acre property that will allow us to develop the different ministries.

We are already working with an architect on building plans to present the project to the municipality and get the building permits.

The project is a building with a multipurpose room for a capacity of 350 people, with rooms for children and young people.

The finished project has a cost of USD \$600,000 and is divided into six stages. We are currently raising funds in the church in Chile to start building as soon as possible. We thank God we have money for the first stage, which is electricity, water, foundation, and metal beams.

Please pray for this great challenge that we are facing. \$600,000 in Chile is a large amount that we do not have right now. But we know that God will show His greatness and power. He sustains His work, and in His name, we have begun the process.

“O Lord God, thou hast begun to shew thy servant thy greatness, and thy mighty hand: for what God is there in heaven or in earth, that can do according to thy works, and according to thy might?” Dt. 3:24

We invite you to invest in the second stage of this project. You can contact us if you would like to give a gift. Or send to: <https://cmcmisissions.org/donate>

We thank all of you for your support in prayer and offerings.

Remember that you are part of everything that God is doing in Chile.

In Christ's Love,  
The Bravo Family

**Prayer Requests:**

- For the finances necessary for the church building.
- For the preaching to the Gospel in different ministries.
- For our lives, so that we may be faithful to the Lord and His work.
