Love Goes Home

Live Global Missions

THANK YOU FOR RESCUING US!

IN 2023, LOVE GOES HOME...

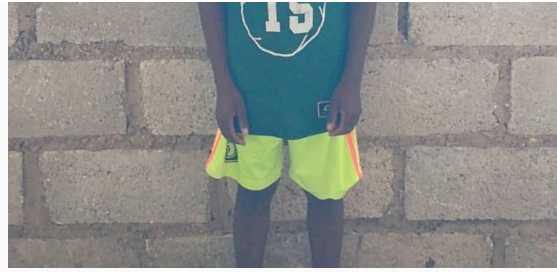

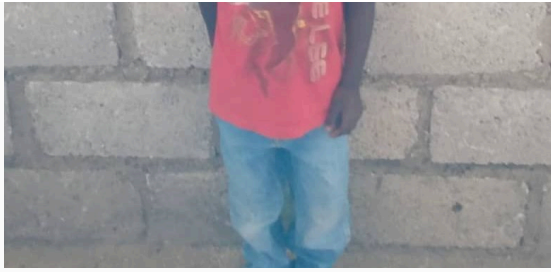

- Oversaw its 130th orphan rescue in Haiti & the D.R.
- Completed a survey trip to Asia
- Increased financial support by 20%

BECAUSE GOD USED YOU TO...

- Give sacrificially
- Pray continuously
- Serve joyfully

Violent gangs now control over 90% of Haiti's Capital, Port-Au-Prince. Street orphans are in constant danger, suffering from hunger, sickness, abuse, fear, and sin. The children below were recently rescued from those streets and are now in the homes of Jesus followers in Haiti.
