MULAR'S Message - February 2024

Greetings to you from hot and humid Buenos Aires!

The start of the New Year came accompanied with the blessings of God. As always, He never ceases to amaze us.

The Lord blessed the last two Sundays in January and the first one of February with people coming to know the Lord as their Savior through the preaching of His word.

Please rejoice with us and pray for. . .

- **Bety** came a few times bringing her daughter Martina to Sunday School and then after the preaching service on January 21st, . . . she came to know the Lord!
- **Diego and Marilú** came after Claudia, one of our members, invited them to a service. They were having marital problems. After hearing God's Word preached, we had the opportunity of sharing the Good News and encouraging him to trust that God was going to do a work in Marilú's life by believing himself in the Lord. Well, he did, . . . and guess what? As we came out to share his decision with others, it was one telling the other that they had just been saved. What a wonderful new beginning. They have come the last two Sundays bringing their four children with them.
- **Oswaldo Gómez**, (64) had come to church at different times, but this time, . . . He ended up going home a new man, by faith in the Lord Jesus Christ!
- **David Fossati**, (37) came to the morning service after being invited by Edith Perez. She sat with Oswaldo Gómez, her friend. And David sat with them, but seemed distant as I preached the word, . . . but guess what? In talking to him after the service, he gave us the opportunity to show him the plan of salvation and this man who came as a skeptic went home as a believer having received the Lord as his Savior! Word came to us that he was happy and was planning to come back.

None of this would have been possible had it not been for the prayers and investment of believers like you and churches who love the Lord and obey Him by praying, giving and sending in obedience to His command!

For this, our dear friends, we thank God and you!

May God richly bless you,

Al & Marty
