This is the day which the Lord hath made; we will rejoice and be glad in it. Psalm 118:

Dear friends and prayer partners,

On January 8, 1984 I arrived at the Word of Life camp in Argentina without Christ and without hope, but on the first night of evangelism I received Christ as my personal savior. A church sowed the gospel in my neighborhood, a Word of Life mission invited me through a Bible Club to play soccer, but a church paid my scholarship. After four decades it is an indescribable joy to be able to be in front of a new generation seeing the same story repeat itself, that by preaching, the gospel WORKS transform lives.

For more than 51 years, the Word of Life camps in Argentina continue to be an opportunity to see young people transformed by Jesus Christ, we rejoice to be part of this work that He is doing in our midst, knowing that your support in prayer and a practical investment makes a big difference.

The summer season is still three weeks away, in the next few days you will receive more news of what is happening in our three properties in the three regions of the country. We have been really surprised to see more than 100 young non-believers

coming every week from different parts of the country to San Miguel del Monte, lead and churches working together with you to make this a reality. We have a lot of work to do in the coming year in discipleship and leadership training. Thank you for being part of what God is doing here.

**YOUNG PEOPLE'S
CHANGED BY JESUS**

**3 WEEKS:
CAMPERS 1457
SALVATION 284
DEDICATION 656**

My name is Lourdes; I am 15 years old from Robles, Buenos Aires and I came to this place with no desire to live, and very hurt. On Tuesday night at 9 o'clock I accepted Christ in my heart to learn to forgive, to learn more about Him, and to learn about His love. To really know Him in my heart.

My name is Jeremiah, I am from Arribeños, Buenos Aires, it is my first time in this camp, here I was able to make the decision to accept Christ in my heart, to know Him more and to be nourished by His Word. I am happy to know that now I have eternal life.

I am Julieta, I am 20 years old from San Miguel del Monte, Buenos Aires, I came to this place with a lot of hatred and resentment, but I can say that this week, and since January 17 I stopped feeling resentment, left the suffering behind, gave my heart to Christ and stopped carrying that heavy load, and that from now on Christ will take the decisions for me.

My name is Delfina, I am from Buenos Aires, I am 14 years old, this week I accepted Christ in my heart, here I could understand the gospel.

My name is Lautaro, I'm from Tucuman, I'm 14 years old. I came with a very heavy burden, with problems at home, and at school, but at the campfire I was able to accept Jesus in my heart and I am happy that God brought me here this week, I needed it very much. I needed God.

**Thank you
for being part
of the
Experience LCM**

We want to thank God for allowing us to be part of His work but also thank you for your prayers and financial support. Santiago del Estero, San Martin de los Andes, Buenos Aires, Rafaela, Mendoza, Córdoba, Santa Fe (capital), Misiones were the 8 different regions where we traveled more than 7,500 miles of our beloved Argentina. We train leaders **to understand where the new generation is**, give them in an effective **strategy for the advancement of the Gospel** in order to commit to the cause of Christ by giving useful **resources for the multiplication of Disciples**

by giving them resources for the multiplication of Disciples.

On each trip we were able to spend an exciting weekend where we not only had training, we were also able to serve the Churches and preach the Gospel.

45 people met Christ and we minister to 2235 people. PRAISE THE LORD!

Please keep praying that we can cover all 17 regions of Argentina in 2024.
