

A HUGE THANK YOU!

We want to begin this newsletter by expressing our sincere thanks to everyone who has been faithfully praying for us and financially supporting the ministry here in NY. We are so grateful for everyone who takes the time to lift us up in prayer and for those who invest in God's kingdom work financially. What we are doing to share the Good News of Jesus Christ and help people grow in their walk with Christ would not be possible without your partnership in ministry!

Student Ministry Writing Team

From January 13th-20th, Paul was on the campus in Hudson, FL, for the Student Ministry Writing Team. The writers on this team were writing the lesson that will be used in the 2025-26 year!

Here is a Sneak Peek at some of the 2024-25 Fifty1 Curriculum.

Snow Camp 2024

This year, in addition to being the Youth Ministries Snow Camp Rep for Week 2, Paul was given the chance to be the main speaker for Week 6. The theme of Snow Camp this year was "Cause the Effect."

WINTER CAMP REPORT		
787 Campers	57 Salvation Decisions	535 Dedication Decisions
1331 Campers	132 Salvation Decisions	809 Dedication Decisions
2493 Campers	166 Salvation Decisions	1750 Dedication Decisions

On Friday night, Paul used the concept of "Cause *and* Effect" to share the truth of the Gospel. Jesus' death on the cross caused the effect that can change your eternity.

On Sunday, he challenged the students to do more than just cause *an* effect, (do something in an attempt to be significant), but to cause *the* effect ("to break free of the cycle of this world by the power of the Gospel and be part of the change that turns the world upside down for Jesus Christ.") Praise the Lord for the impact that Snow Camp had on the lives of students this winter.

Perth Bible Church Ministry

Paul was able to minister with Perth Bible Church in both the months of February and March. On February 7th, we ran a church-wide Fascar event with more than 150 racers. Three days later, Paul was able to travel back to Perth for two chapel services @ Perth Christian Academy.

On March 22nd-23rd, both Paul and Liana went to the Perth's "No Sleeper" where 401 students showed up. Paul was able to clearly share the Gospel of Jesus Christ. He was one of four speakers for the event. In the end, 41 students indicated that they had trusted Jesus as Savior! What an event! Praise the Lord for the message of the Gospel and all the Gospel Conversations that took place throughout the night.

Toledo Christian Spiritual Emphasis

On March 19th-20th, both Paul and Tati were part of the spiritual emphasis event for Toledo Christian High School. The theme for the event was "To Seek and To Save." Tati had the opportunity to teach her breakout session ("As You Go: The Gospel in my Everyday Life") four times.

Paul was given the opportunity to teach the students practical truth about sharing the Gospel of Jesus Christ with others. In two main sessions and two breakout sessions, Paul taught the students how to develop the right mindset for sharing the Gospel, some practical tools for sharing the Gospel, and how to keep the Gospel the priority in your life. Pastor Cornell Jordan preached three times to students and Pastor Dave Westmeyer ran the event and challenged the students at the beginning of the event as well. Several other speakers challenged the students in various breakout sessions.

The student body @ TC was challenged to develop a passion to seek out the lost and share the saving message of Jesus with them.
