## REACHING MORE IN 2024

Dear Mission Partners and Friends,

The half of 2024 has shown, once again, the awesome love and grace of God. Despite some difficulties the ministry has continued with results which cannot be accomplished without the enabling grace of God. For this, we give all the glory and praise to God and Savior Jesus Christ.

### Pateros Ministry

The work in Pateros, a town next to our city, has blossomed from a Home Bible Study to a regular Church Extension. People are getting saved and before the end of the month of June, more believers are expected to follow the Lord in Water Baptism. Please pray for the Llena family. Preacher Elvin is our main man in this area. He works during the week at the City Post Office to provide for his family. With his wife Jemma and five children, they continue to minister to the less

fortunate people in the area. We need to find and rent a place for the work in Pateros as soon as possible.

### Taguig City Ministry

Pastor Jojo Dumalagan and wife Marlyn together with their four children continue to serve in our Taguig Church Plant. More people are coming to Christ and getting baptized. Slowly our people from the main church who have been temporarily helping them are pulling out and will be transferred to another mission. The reason is more people are being added to this work and need to be trained to stand on their own as far as serving is concerned. we are considering to rent a bigger place for this ministry

### Cainta Ministry

Most of of the members in this area are young people. Please pray that we can reach their parents and that they will trust the Lord Jesus as Savior. There have been some losses in this area because of persecution. Also few cults existing in the area are actively hindering the work. Please pray for our man, Pastor Jovann Dela Vega that He will endure the challenges arising in the area. He works as a teacher during the week at a nearby High School. The potential of reaching the students is high. Also pray for his upcoming marriage to one of our young ladies this year.

## Graceway Crossover Ministry

One of the Mission-Vision of our church is to be a “vibrant center of discipleship”. Crossover Ministry aims to reach the high-schoolers by teaching them the Word of God using the game of basketball, which is the most popular game here in the Philippines. Children are attracted to the sound of a basketball. This ministry can be used to raise future leaders not only in our churches. Pray for its regular discipleship meetings and games. Pray for the salvation of more children.

## 6 New Baptisms This Month

## Family News

Our son Justin has graduated Bible College and is now serving as a youth leader for the Next Generation Campus Ministry. He is also praying to start a new Church Extension within Pasig City. Please pray for wisdom and God’s will in his life

Over all, the Lord has faithfully sustained these ministries. Financial needs continue to be provided and above all the gospel has advanced no matter what the conditions have been. Thank you so much for holding the ropes for us. Your faithful support through finances and prayers mean a lot. Knowing that we have partners across the oceans makes us more encouraged to continue in this ministry. May the Lord bless you more as much as He blesses the work here.
