

OFFERING AT MONCLOVA ROAD

CHRISTMAS

AT MONCLOVA ROAD

Dear Church,

As the Christmas season approaches, we are reminded of God's incredible gift to us, His Son, Jesus Christ. In this season of giving, we celebrate the greatest act of love and generosity the world has ever known. Jesus, born in a humble manger, came to bring love, joy, peace, and the hope of salvation to all.

As we reflect on His gift, we are called to share that same love and generosity with others. Our Christmas offering is a wonderful opportunity for us to make a meaningful impact in our community and beyond. I encourage you to look through this magazine, and prayerfully consider how you can contribute. Remember it is the spirit of generosity behind the offering and not the amount that reflects Christ's own gift to us.

We are so blessed by your faithfulness and generosity throughout the year and know that we can make this Christmas season a true reflection of God's love in action. May God bless you richly as we prepare to celebrate the birth of our Savior.

Merry Christmas,
Pastor Jeremy Rands

BUILDING PROJECT

For decades, Buildings A and B at Monclova Road have been spaces where lives have been touched, needs met, and the love of Christ shared. As our ministry evolves, it's time to renew these spaces for an even greater impact. We invite you to pray about supporting the renovation project—whether through giving or prayer—so these buildings can continue to serve as places of hope, outreach, Christian education, and transformation. Your partnership will help us create environments where God's work can flourish for generations to come. Let's come together to build something new for His glory!

“Buildings are tools to accomplish ministry”

The plan for the future of Building A and B to keep being a tool:

FAMILIES HELPING FAMILIES

Every year during the Christmas season, families at Monclova Road Baptist Church and in our community have needs. Whether it is putting clothes on families' backs or offering some added joy during the holidays, we love to help. This year, we are designating a portion of our Christmas Offering to help relieve financial burdens for some of these families.

In addition to helping monetarily, we would like to provide meals for families that may be experiencing the economic pressures of the season. A portion of your giving will be set aside to be used for this purpose.

Their goal is to get the Bible translated into as many languages as possible. There are still over a billion people in the world that do not have a Bible in their language. We want to partner with ministries to help with this.

The last couple years our church had an opportunity to partner with a non-profit organization who produces thousands of Bibles every year in different languages to send around the world.

THE PURPOSE OF GIVING

We as a church give to help spread the Gospel to the lost and dying world. We give to be a blessing to people less fortunate than us or to help support people in times of need. We give to enable organizations both locally and internationally to continue to impact the world for Jesus. We give because we are commanded to be like Christ. We give because He gave His Son, born of a virgin so that we could some day be with Him forever in Heaven. He gave His Son to us... a selfless gift...to die for our sins on a cross. God gave us the ultimate gift and we as christians are obligated to share that with the world we live in. How can you help this year during our Christmas offering? What will you do to give **HOPE** this Christmas?
