

GLENS FALLS REVERB

November 8-9th marked the 7th time we have hosted Reverb in Glens Falls, NY. This year we broke the record for highest attendance ever: **1,516!** During our event, Pastor Chris Goepfner shared the truth of the Gospel and 143 students responded to the invitation. Of those who responded, 95 made professions of faith, 26 made a dedication decision, and 22 of them came back to talk to a counselor but made no decision.

Please pray for those 22 who showed interest in the Gospel, but have yet to believe in Jesus for salvation. Pray also for the follow up that will happen with those who trusted Christ.

As you can imagine, with an attendance of over 1,500, we needed a big staff to help us with this event. Thank you to the 120 people who helped make Reverb happen. A special thank you to the Word of Life Bible Institute students and the students from Northeastern Baptist College who served all night at the Dome, the bowling alleys and at Sky Zone. Thank you to Rico Lopez and Tatianne O'Bradovic for running the Dome and the Dome Leader's Room!

Each year at Reverb we offer a "Student Reaching Student" tickets—these are half-price ticket for students who are unsaved. These tickets are funded by people who love Reverb and want to see students come to Jesus. This year, we sold all of the half-price tickets that we had funded. Please pray that we can find more sponsors for these tickets so we can continue to make this available. If you are interested in being one of those sponsors, you can use the following link for Student Reaching Student tickets: <https://give.wol.org/OCR06C>.

In addition, with an attendance of over 1,500, we have maxed out our capacity for the venues that we use. Please pray with us that we will be able to find other venues to use during the after-midnight portion of the event that will allow us to minister to 2,000 students or more.

Conferences & Speaking

In addition to preparing for Reverb, Paul continued to have opportunities to minister. In September, we were able to share the Gospel at an **Evangelistic Carnival in Thurman, NY**. The weekend of October 19th-20th we were @ **Perth Bible Church for Missions Conference**. Paul was given the opportunity to teach that Sunday Morning. On Sunday, October 20th, Paul had the chance to **speak at our home church**. The week of October 24th-27th, we were involved with the **Word of Life Missions Conference**. As normal, we hosted a bunch of missionaries in our home and connected with the students on campus about missions.

A Wedding in Schroon Lake

On November 16th, Paul officiated the wedding of Thomas Arnett and Mackenzie Beasley, here in Schroon Lake. Thomas was a teenager in the youth group when Paul was the youth pastor at Monclova Road Baptist Church. In addition to officiating the wedding, we were able to host several members of the Arnett Family and a few of the groomsmen. The groomsmen were also students in the youth group at MRBC.

For several weeks leading up to the wedding, we had the privilege of meeting with Thomas and Mackenzie for premarital counseling. We were so grateful to be given the opportunity to participate in this special event in their lives.

REVERB - CLEVELAND, OHIO

On December 6, 2024, Paul will have the opportunity to share the Gospel of Jesus Christ at the Reverb event in Cleveland, Ohio. This is an exciting opportunity because this is the Reverb Event that we used to take our students from Monclova Road Baptist Church to when we were serving in Ohio.

Please take the time right now to open your phone and place a reminder on your calendar to pray for Paul about 10:00p on Friday, December 6th. Pray that the Gospel will be clear, that the Holy Spirit will convict, and that God will draw many to Himself through the message of the Gospel @ the Cleveland Reverb.

YOUTH MINISTRY INTERNSHIP UPDATE

Currently, we have 12 interns in 7 states. Six of them are in their first year of the internship and 6 are in their second year. We have already had three more students apply for the internship and applications are not due until March! It will be great to see what God will do in the new class of interns that we will have this year. Please pray for the interns that are on the field and for God to send more students to the internship for the 2025-2027 class.

MINISTRY IN BRAZIL IN 2025

God has given our family a great opportunity for April 2025. Tati was asked by our pastor to suggest a place of ministry in Brazil for the women's soccer team; Pastor Chad is the Women's Soccer Coach at the Bible Institute. Tati connected the team with Word of Life's Team in Northeast Brazil. The whole team will take a missions trip and has invited our family to minister with them.

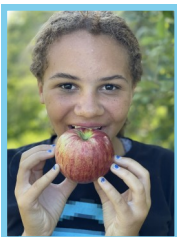

In addition to the ministry with the soccer team, our family will remain in Brazil and minister with Telemaco Moraes @ the Seminary/English Speaking School in Carpina, Brazil. The total cost of this trip for all four of us will be \$4,523. If the Lord lays it on your heart to support us for this special project, gifts can be given at the following site: <https://give.wol.org/0CL29B>. Please keep us in prayer as we help the Women's Soccer Team prepare for the trip and for us when we get to Brazil to share the love of Jesus everywhere we go.
