

Dear Monclova Road Baptist,

Do you know what 330 pounds of turkey and a jar of honey have in common? Both of these played a part in our recent Thanksgiving Outreach.

We have been inviting our friends and neighbors for a special Thanksgiving dinner the past several years. It has grown every year and this year we decided to have TWO nights. We had a packed house both nights with 136 people on Friday night and 150 people on Saturday. The food was very tasty, the decorations were beautiful, but most of all the Gospel was shared!

Oh yes, we had TURKEY. We prepared 330 pounds (150 kilo) to serve over the two nights. We are thankful for a group from New Jersey that came to help prepare and clean up.

There is one special story about Thanksgiving that we want to share and this story starts with a jar of HONEY. Our kids really like honey, and we heard that the best honey is honey from the area that you live in to help with allergies. We were looking for people around us that sold honey and one day we saw a new sign on a neighbor's property advertising honey. We called them and bought a jar. The kids quickly ate the honey, so we called them to buy more. When our neighbor came with the honey, we gave him an invitation to Thanksgiving. He thanked us and said that they would come for sure.

On Saturday night, this neighbor did come with his wife, their daughter, and a family friend. We sat with them during the program and after Tim shared the Gospel, our neighbor said that what he shared is very convincing. After the program was over, Dina had the opportunity to have a Gospel conversation with this group. Please pray that we will be able to continue to have more contact with our new friends.

English4Life Fall 2024

Fall 2024 English4Life Students and Staff

We finished our Fall term on November 22. This was a unique term because we had four students, but five different countries represented. Seth is from the US, we had one student from Poland, one from France, two from Ukraine, and our teacher was from the Bahamas! God used this time to work in the lives of our students and staff.

We will start our next term on January 5. Please pray for God to bring us more students that we can invest in. As of this writing, we have three students signed up to come in the Winter, but we are praying for ten. Would you join us in praying for this?

Word of Life Poland

After the end of English4Life, we spent a weekend in the mountains ministering at a church and playing in the snow.
