Dear Pastor and Church,

Greetings in the precious name of our Lord Jesus!

We just celebrated our 18th year of Church Anniversary last Sunday. With hearts full of gratitude, we gather under the theme 'Faithful to the Cross'—a reminder of His unwavering love and the call to remain steadfast in our faith. The church anniversary was a true mark on how God has been faithful to us in the ministries that God entrusted to us. For 18 years we were able to train 2 pastors and 2 preachers, we built 1 church building, and we are renting 2 church buildings for our 2 outreaches and the 2 pastors We sent out to reach the communities. Because we are renting 2 churches, we've been praying that we could be able to buy one for this coming year because the attendance is going up and more souls added to the church. We want to share with you this testimony about how we are eagerly desiring a place of worship. That soon God will give us a worship place not to rent anymore. As of now, We have been renting a church building for almost a year. Beside this church rented is a house that looks like a church building. Every Sunday morning my wife keeps asking me, Is that house for sale because it looks like a church. She told me that she'd been praying that the house to be on sale because it's perfect for our church worship place. Then last Sunday morning before we entered the church she told me that I'd been praying that the house would be on sale. And told me even though we don't have money for that God is able to provide the money for us to buy that property. Then after service, one lady told my wife that the house nearby was on sale and she told my wife that you could visit the house so we could talk to the owner and visit the house. As we entered the house we saw that it was perfect for the worship service. The property is more or less 500 square meters there is more room to build at the back of the property, The asking price is \$120k. The owner told us that we could pay half and the other half would be put on loan. Payable for monthly. We don't have the amount right now but for the souls in Binmaley, we are fervently praying to buy this property. Please help us to pray for our heart's desire that God will give us this property for our church building a place to worship God. We humbly seek your help if you could help us financially and through prayers on how God will provide this need. We are praying for a miracle on how will God prosper this plan for his glory. We are praying for churches and individuals to help us raise the money and pray fervently for our heart's desire for his glory. Until we reach the amount. It's impossible for us but with God, nothing shall be impossible. This is a true treasure to invest for the souls and for the glory of the Lord. Luke 6:38 Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again.
