**Love Goes Home**  
Live Global Missions

Dearest partners,  
Thank you for your continued prayers and support. Here is much needed ministry opportunity.

The Badi are a people group in south Asia who live as outcasts with no access to the basic resources for life. One of the critical ways Love Goes Home ministers to them is by providing tuition. A child in school not only receives an education, he or she is safe from street traffickers who prey upon them. Also, a vital relationship is developed with the family. We are hoping to sponsor 867 children this year (We have a list of actual kids who won't go to school unless we help)!

**Will you please help?**

Tuition for the entire year is \$30 for one child. For \$750 your Small Group, Sunday School, or family can help 25 kids be loved, educated, and safe. Tuition is due the first week of April.

Thank you for being used by God to change lives one kid at a time. We would love to come share more about this ministry with your group!
