

THE HERNÁNDEZ FAMILY

'So obey the commands of the Lord your God by walking in his ways and fearing him. For the Lord your God is bringing you into a good land of flowing streams and pools of water, with fountains and springs that gush out in the valleys and hills.'

Deuteronomy 8:6-7

WHAT'S NEW THIS YEAR?

Dear brothers and sisters in Christ, our precious and beloved prayer warriors:

Thank you for remaining firm praying for us and supporting our ministry as the Lord lays it upon your hearts.

We started the year full of challenges and with a very evangelistic focus.

Diego is teaching Evangelism and Discipleship classes at the University of Theology in Madrid. His classes are having great impact among the students (many of them leaders in their churches), expanding a vision that was being lost in the Spanish evangelical setting.

FROM TOLEDO TO THE NATIONS

We carried out several evangelistic events taking advantage of the Christmas season, which gave us the perfect opportunity to preach the gospel. People on the street are much more receptive to the message during these festive days. The children went out singing carols in the street, we did a prayer walk and performed a play at the church. Thousands of leaflets were distributed throughout Toledo.

On the other hand, from December to February Diego already presented two babies to the Lord and officiated two weddings. This makes us very happy since both brides were disciples by us and have gotten married to glorify God and serve Him with their marriages.

Ester and Raúl

Eunice and Emanuel

God also gave us entry into a secular school near Toledo to hold seminars to all the students on different topics. The first has been about entrepreneurship, where it was made clear that it can be undertaken under God's principles. This opens doors for us to take young people to the Word of Life camps and have individual talks if they require them. The next ones will be about procrastination and addictions.

SNOW CAMP

2 weeks: +/-200 campers

We praise the Lord for being able to hold our Snow Camps once again. Two incredible weekends where young people were able to hear from the Lord and many gave their lives to Christ.

PRAYER REQUESTS:

Please pray:

- For the seminars at secondary schools.
- For **Reto-Vida** (Pro-life center that we want to start). This week Rute had a pro-life interview on the radio.
- For the local church, may God continue adding souls and for the evangelistic projects.
- For more missionaries for Word of Life Spain.
- For provision for Summer Camps.
- For the Christian school in Toledo. This vision is getting closer to becoming reality. We will possibly start next year.
