

Dear Partners and Friends,

Facing this very promising 2025, I just want to take you back to a few highlights here during the last part of 2024.

After seven years of being a Mission Outreach, Graceway Baptist Church, Malolos, Bulacan was organized as an independent local church last December 8, 2024. With 35 charter baptized members, Brother Mark Matito leads the said church to its new journey, together with his family. Local pastors from neighboring areas came to witness the said event. Please continue to pray for more local ministries to be organized in the future.

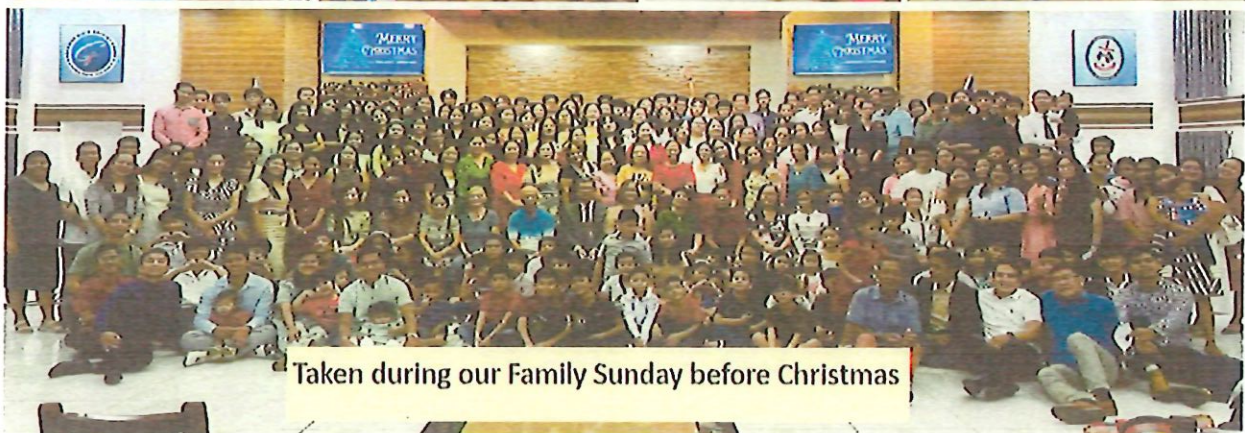

Hands Of Praise Concert
 Children ages 10-16 performed in front of 250 people of which most of them were their own parents who needed to hear the gospel. Please pray for those who professed faith in the Lord Jesus Christ that they will continue to grow in faith. We would like to see them added to the church.

Christmas Gift-Giving

Almost 300 children received simple Christmas gifts from our church people. The event, as always, included the preaching of the gospel to the guest-parents of children in our community. We pray that we can give to more children next time. In all of these events, the main objective is to reach as many souls as possible for the Lord Jesus.

WATER BAPTISM

In all of these events, the main objective is to reach as many souls as possible for the Lord Jesus. These few months has added 11 Water Baptisms adding new members to the church. Please continue to remember us in your prayers. Also thank you for financially helping us. The ministry is growing and so its needs. It is amazing how the Lord has been providing for the work. We trust the Lord that our partnership will continue for years to come. We pray that the Lord will bless you, your families and the Church. May more people here and in your place come to know Jesus as Savior. Again thank you so much and may God bless you.

All by God's Grace ,
Ferdie and Marissa
