## Stories Only God Can Write

The Gospel transforms lives, and the story of the Aranda family is proof of that. Leandro and Jessica, along with their daughters Bianca and Renata, found not only salvation in Christ but also a purpose: to reach the next generation with the message of the Gospel.

Their journey hasn't been without challenges, but every trial has strengthened their faith. God is calling them to take the next step in their preparation, and in April, they hope to begin their training at the **Word of Life Bible Institute in Argentina**.

To make this possible, they need \$12,000 USD to cover their first year of training at the Bible Institute, which includes tuition, housing, meals, and their daughters' education at the Missionary Christian School. Through the **Scholarship Program**, they have the opportunity to receive the support they need to move forward with this calling.

Join the Aranda family in making this dream a reality. **Click the link and be part of what God is doing in their lives.** I invite you to listen to their story and be part of what God is doing in their lives.
