Dear Friends,

As you prayed for us in April, we were able to coach Missionaries from the USA to Australia, Taiwan, Korea and Brazil. Also, we were impacting national missionaries in Canada, Poland, Uganda, Korea and Indonesia. Thank you for praying for wisdom and cultural discernment as we worked with each missionary and saw positive growth.

Ken had the opportunity to fly to Florida April 26th for the Student Ministries Conference (see picture above) to learn what was new. Ken, as he travels to different countries, doing leadership training, he is taking the latest information with him as he teaches Biblical principles in leadership. We had great Bible teachers each day to learn from God's Word.

When Ken flew home, he stopped in Kenton to talk to one of the teens and her father about camp. As he was going into their home, a couple of teens greeted him from another

apartment. After our meeting was done, he went to talk to the teens and with them were three other friends. Before Ken left, all three of those friends accepted Christ. You have been following us and praying for us for a while now. As you look at this picture, let me share with you the stories of changed lives in the last 12 months. One of our regular teens Arianna, brought her friend Josie (on the far left) to youth last May and at the end of the lesson Josie accepted Christ as Savior. Josie has been attending regularly since then.

Josie brought Alaska the young lady in the center to our group in September and she accepted Christ that night. Ken went to Josie's home to do WOL's follow-up "Lead **the** Cause" with Josie and Alaska. Mason was standing in the doorway listening in, so we invited him to come in and he accepted Christ as his Lord right there. Alaska has been attending regularly this winter. Mason has been coming the last three weeks. He was the one who greeted Ken at the apartment complex. The three others –the young man to the left of Ken, the young man in the blue shirt and the young lady on the far right all accepted Christ May 1, 2025. All to the glory of God! Thank you in praying for impact of the Gospel overseas and the Gospel impact right here! Keep praying as more opportunities are provided! Pray as we would be able to disciple each of these young people in their walk with God.

Thank you for partnering with us through your encouragement, love, and prayers in April. You went with us in each endeavor and every decision made was a result of your teamwork. Thank you!
