

Merry Christmas

As 2025 comes to a close, we want to pause long enough to celebrate the birth of Jesus Christ and wish you a very, merry Christmas.

Throughout the year, we have seen God do some amazing works here in New York and around the country.

Glens Falls Reverb

Since 2021, we have experienced consistent growth in the Glens Falls Reverb. In 2021, we had an attendance of 1,052 people @ Reverb. In 2022, we set a record with 1,210. In 2023, we beat that record with 1,469. Last year, we beat that record again with 1,516 and had to purchase "Standing Room Only" hockey tickets for many people.

This year was another record breaking year; we added another after-midnight facility and had 1,654 in attendance. We had to cut off ticket sales a week before the event because the hockey arena had no more seats and we had no more space at our after-midnight venues! What a great problem to have!

But, attendance was not the best highlight! The amazing part of the event was that 124 people made professions of faith in Jesus Christ! Praise the Lord for how He drew people to Himself!

Prayer Request: We will need to find at least one more after-midnight venue for next year. We would love to add the new indoor go cart track in the Queensbury mall. Please pray that they will be willing to work with us at an affordable price.

Chattanooga Reverb

This year, Paul had the opportunity to speak at the Chattanooga Reverb. In the past, the Reverb in the southeast has been held in Atlanta, GA. But, this year, Reverb moved two hours north into Chattanooga, TN. For the Southeast team, this was like starting a brand new Reverb! Praise the Lord for the 656 attendees and staff and for the three students who trusted Jesus as Savior.

Reverb Recap

This year, Word of Life staff hosted 13 Reverb events! Across those events, 16,032 people attended and 654 people made professions of faith! The reverberation of this event never ceases to amaze me. This truly is an all-night evangelistic event with echoes into eternity!

Special Highlight: At the Glens Falls Reverb, long after the message was over, one man who volunteers every year, Rick White, was able to lead a young man to the Lord while they were at The Fun Spot. Praise the Lord for faithful volunteers who look for ways to have Gospel Conversations throughout the night!

Paul got to share the Gospel @ the Chattanooga Reverb.

Paul taught the Bible Institute Students how to do the exit counseling @ Reverb.

Rick White got to lead Malki to the Lord @ The Fun Spot.

The crowd @ the Glens Falls Reverb.
