

The Hernandez Family 2025

May - December

Word of Life Spain

Dear Brothers and Sisters, fellow ministry members, and prayer warriors: We thank God for your lives, for without you it would not be possible to do all that we are doing in Spain. And when we say "doing," we include each and every one of you, because you are a part of every person, every discipleship, every soul that is saved, and every leaflet that is distributed. You are not only a part of our support, but you are also part of everything that is happening in the ministry. So once again, THANK YOU FOR STEADFASTLY STANDING BY OUR SIDE, SERVING OUR PRECIOUS AND BELOVED SAVIOR.

Clubs, Olympians and Young Adults Comunity

By the grace of God, we are able to work on these three programs, which are proving to be a great blessing. We see children growing up in a healthy environment at church, and young people drawing closer to God and being encouraged to share their faith.

Today, our church has a wonderful youth group, several of whom are studying at the Word of Life Online Bible Institute, while others are eager to attend in person next year and are currently processing the necessary paperwork and other requirements.

Special gratitud

As many of you know, this year in an accident during camp I broke 5 ribs and after a week in the hospital I was able to return to camp and be preaching and helping as much as the pain allowed. But thanks be to God I hardly feel any pain anymore, just some discomfort with changes in the weather and I know it is because the Lord hears prayers and He restores my health.

Camps

Summer Camp: This year there were two weeks for teenagers with more than 250 attendants per week and 1 week 18+ with 80 people, a true blessing.

Family Camp: This year we had our first family camp in Malaga. It was a challenge but also a precious time of serving families.

Fanning the Fire: A great weekend in Toledo with 70 young people and local church leaders encouraging them to serve and become involved in their churches.

Winter Camp: Our first Winter Camp is coming to Malaga during the month of February.

Snow Camp: Like every year in February in Catalonia, our Snow Camp.

Outreach campaigns: We continue with **Dare to Share** in several provinces of Spain, in addition to campaigns with the local church. **Eternity 5 Million. Youth Evangelism Day.**

Two Mission Points

We already have a mission point in the city of Córdoba with 14 brothers congregating and in January we will begin to evangelize and plant churches in Cuenca.

Local Church Ministry

Pastoring the 'Good Shepherd' Baptist Church in Toledo

We continue to establish the new way of work in the different ministries

The church continues to grow by the grace of God, and as pastor I can't cover all areas. So, this year, internally, we are working on the leadership of the different ministries more specifically, and we have started care groups where the more mature brothers in the faith take care of the newer ones.

Christmas Theater

In the same Shopping Center, in one of the shops, we will be hosting a sensorial theater experience for several days, where people will be immersed in the story of Christmas. The Gospel will be shared, and books, chocolates, and churros will be given away.

Campaign with the musical 'The Circus'

We presented a musical in a Shopping Center with a large audience, the gospel was preached and people passed from death to life.

More Than Entrepreneurs

It is a ministry that allows us to give entrepreneurship talks in Highschools and Universities, presenting the gospel with our testimony to over 700 students and teachers.

RetoVida

Our Pro-Life ministry launched on November 15th, and God willing, we will soon have the space we are renting ready for our Pregnancy and Post-Abortion Syndrome Resource Center to be opened. Nevertheless, we are already receiving cases. **Reto-vida** (*Challenge: Life* in English) will also be a training center for any church that wants to start a pro-life ministry and support women who have had abortions. God has provided not only the space for the launching event but also the endorsement of the Toledo Provincial Council and of Life International.
