Mular's Message February 2026

Dear Pastor and friends,

Greetings to you from Buenos Aires, Argentina!

It's hard to believe that we are in the middle of the Summer here while you there have been experiencing, for the most part, a very harsh winter.

Time goes by so fast, especially at our stage in life! We are very thankful to God for our health and to you for your prayers and support that enables us to continue serving the Lord.

Places to rent have become scarce and very high in our area. This caused us to lose the family of five, Julian, Cristal and their 3 children. They had to move to another area of our city. The distance, travel time and public transportation costs prohibits them from coming to our church. Thank God there is a new work that a sister church has started not too far from them. Contact has been made between them and the Pastor there.

The Lord blessed Marty and I, using us to lead Esther Lezcano (53) to Christ in her home. She had attended classes on The Beatitudes, taught by preacher W. L. Smith and was ready to ask God to save her. She has since married one of the men of our Church and has come to services a few times.

Two teenage girls, Lourdes & Maite, called on the Lord for salvation after hearing teaching on the Security of the Believer. Two more people have come for baptism after the teaching on baptism.

We have designated February as Missionary Emphasis Month with several of the ones we support ministering and challenging our people in reaching out to the world. At the present, our Church supports 15 families, the latest one, in Burkina Faso, Africa.
