DEVELOPING A HUNDRED POINTS OF LIGHT FOR THE GOSPEL IN POLAND

A Message from Your Ambassadors

Dear Poland Ministry Partners,

When the Lord called us and placed us in Poland, we were determined to keep our focus on the best opportunities for sharing the Gospel and discipling believers. An integral strategy to achieve this is having the flexibility to change locations and partnerships to stay on mission and not lose sight of the important tasks the Lord has given us to do. The following ministry summary reflects some of these changes. We will send more in-depth stories and specifics later. If you have questions on any of these, please query us and we will give you more specifics. We have one particular urgent need to mention at this time. We need someone to help us with prayer letter printing and mailing. If you know someone who could print, envelope, address and mail 60 letters four times a year, let us know so we can serve those who don't use electronic devices to view our prayer letter.

God bless your ministry in Poland.

Ed & Leslie Schick

Personal Witnessing - We continue to use business contacts, community events and recreation to develop friendships and opportunities to share the Gospel. One of our best opportunities recently was attending a Jewish history event here in Grójec.

Good Soil Evangelism & Discipleship

Materials and Training - We personally challenge believers to be more effective in evangelism and discipleship by presenting our materials and offering training to use them with everyone in their personal community.

Discipleship Book - We are in the review process after which this will be printed in quantity. Eventually we have four more projects involving Good Soil Evangelism & Discipleship materials.

Leslie and Ola

Gospel Ball Brochure - This powerful evangelism tool for children needs to be graphically re-finished and printed for use in our children's Sunday School, camps and personal presentations.

Ladies English Bible Class - Leslie teaches three ladies lessons for English and one Bible lesson from Story of Hope each Thursday morning.

Bible Class on Reconciling Relationships - We meet with a couple Friday mornings to learn biblical principles for healthy relationships and how to reconcile them when there are difficulties. This a great need in our marriages, families and ministries.

New Local Church Ministry - We have recently joined Pojednanie Bible Church. One of the healthiest and fastest growing churches in the region just outside Warsaw. We are having very enriching and fruitful meetings with various key families in the church.

Children's Ministry - Leslie will be working with the children's director at our new church in order to develop the curriculum and to train children's teachers.

Church Planting Group - This is a sub-group from the Pojednanie church that is seeking to develop a ministry to internationals using English as the common language. This ministry is attracting students, ex-pat workers and Poles who are able to understand and speak English.

Financial Needs - Our support level needs to increase due to costs of living. We have cut our budget for the present, but we need to grow back to a level that will meet future needs as well. Thank-you for your prayers and consideration of this need.
