MULAR'S Message - June 2026

Hello dear friends,

Someone said, "May your tribe increase", and that is exactly what has been happening with our family. The Lord blessed us with the coming of three new great-grandchildren. Two girls and a boy. Thank God for the gift of life and also for the gift of eternal life.

Four of us were able to attend a man's meeting in San Luis, about 700 miles away in the west of our country for two days. The meeting was a blessing with great preaching, God working in the hearts of men, and four people coming to know the Lord. I had the privilege to lead to Christ Carlos Alberto Molina (62) He is from the host Church, that is pastored by missionary Damian Cejas. We have been supporting this church plant for a number of years.

Last Sunday morning after the service, Liliana Mendoza, one of the ladies from our Church in Villa Tesei, shared with my wife and I the blessing of the previous day in which God used her to lead her neighbor, Alicia, to the Lord. Her mother and sister, were all overjoyed, since they have been praying and witnessing to her for many years.

Javier Caricato, one of our faithful men was hospitalized and had the privilege of leading Lucas (an orderly in the hospital) to Christ. Luke 21:13 "And it shall turn to you for a testimony". God has hidden blessings in the midst of trials.

Please pray for a special young people's activity and Church Anniversary coming up the last week end of July and our special guest who Lord willing will be ministering to us. We have invited for that occasion, Pastor Pablo Simó, who is a missionary to the neighboring country of Uruguay. The Simó's were sent out from our Church to the field, ten years ago.

We remain ever thankful to our God and to you for your faithful support, both in prayer and financially. Keep up the good work!

His serving others,

Al & Marty Mular
