Dear Friends,

July went by so fast and we are excited that you were standing with us. You had a part in each decision and each impact made last month by your prayers, encouragement and love shown toward us. Thank you!

The Main part of our weekly ministry is coaching missionaries. In spite of several missionaries not able to meet because of Camps they are running or mission trips they were on, we were able to have 50 Zoom or WhatsApp meetings during July. Thank you for being part of our team.

One of the missionaries Ken coaches is Tish. (Patricia). She is a New Jersey native who retired and had a heart for the Taiwanese people. She took a short-term missions trip to help with their SYME, teaching immersive English using the Bible. She saw the impact of English and the Word on Taiwanese lives. Tish ended up staying 12 years and realized that she was serving full time and officially became a full-time missionary at age 80 to the people in Taiwan. (Anybody want to say they are too old to be a missionary?)

Another missionary Ken coaches is Sharon (Her “adopted” English name when she came to SYME in Taiwan). She accepted Christ during her time in SYME despite her Taiwanese father believing in Traditional religion. She stayed on after SYME and is now finishing her second year of the Bible Institute in NY and raising support to go back to her homeland of Taiwan.

In some of the letters coming up we would like to highlight more of the missionaries Ken is or has coached over the last ten years so you will see how your partnership with us is impacting the world. Thank You!

Meanwhile, Ken was in three different pulpits and taught teens for five weeks. Also had counseling and mentoring opportunities. Thank you again for allowing us to be engaged in impacting the World.

Please pray as:

- Ken in NY Aug 17-20 helping Ryan Williamson facilitate training of CCI-Short term missionaries.
- Ken Continues to coach impacting missionaries each week.
- Ken is in 4 pulpits in August and 4 in September that he may be God’s vessel sharing the Word.
- As Ken and Pam take some time off over Labor-day weekend.

Love ya Much!
