Prayer Letter Update

Dear Friends and Family,

Once again, we are sharing our prayer letter, which contains updates about our family and the ministry in Chile.

Family

We are filled with excitement as Adriana's baby is expected to arrive on August 18th. This will be her first child and our second grandchild. We kindly ask for your prayers for both her and the baby.

Andrés and his wife recently celebrated Amelie's birthday. It's incredible how quickly time has passed—she is already one year old! May the Lord shower blessings upon that little girl.

Nicolás will be returning to the Bible institute in early August to finish his second year of Theology. We have seen his spiritual growth and are grateful to God for this journey.

Additionally, we are happy to share that we are making progress with the paperwork for the three Venezuelan children living with us—Bryanna, Breyner, and Brenda. Although it has been challenging, the Lord continues to open doors. Every day, God sustains us with His grace. Thank you for your ongoing prayers.

Churches

In May, we conducted a ministry meeting with all those serving in the church. We are thrilled to report that our congregation has grown by one hundred individuals over the past year. We give thanks to God for His evident grace among us, enabling us to partake in His mission through preaching the Gospel and mentoring new converts.

Additionally, we are making progress with the churches in San Francisco and Rengo. What began as small groups meeting on Wednesdays is now on the verge of launching Sunday services. We are excited to share our prayer letter once more, providing updates on the ministry in Chile.

A Passionate Heart

Connie and her husband, Mauricio, moved from Santiago to Rancagua in search of a church. Although they had their own beliefs, they were filled with numerous biblical inquiries.

One Sunday, they attended the morning service, and that same week, we had the opportunity to visit them. After nearly two hours of heartfelt conversation, tears welled in their eyes as Connie and her husband embraced Christ as their personal Savior. We promptly began their discipleship journey.

Just two weeks later, Connie invited her neighbor, Daniela, along with her husband, Christopher, to church. We visited them as well, and both of them chose to commit their lives to Christ. For the past two months, we have been nurturing their growth in discipleship.

But Connie kept thinking about other people to reach, and she brought another couple to church: María Pía and her husband, David, who confessed their faith in Jesus a few weeks ago. After that, Connie opened her home for a small prayer and Bible study meeting with other women. A Brazilian friend named Lucia came to the service one Sunday.

Connie continued sharing her faith and told another couple, Katherine and her husband Guillermo, about the Lord. They both came to the church, and we are preparing to visit them.

On one occasion, Connie shared with us, “I can’t help but talk to others about what I’m experiencing.” Without a doubt, God has ignited a passionate fire in her heart. When Peter and John faced questioning from the religious leaders of Israel, they stated:

“For we cannot but speak of the things which we have seen and heard.” – Acts 4:20

This encapsulates the true essence of missions: to continually share the message of Jesus with others. We may not know how many more individuals will join our church because of Connie's influence, but we pray that God will inspire other believers like her.

Please keep us in your prayers as well, that the fire in our hearts may remain alive. We are immensely grateful for your prayer support and generous offerings.

With love in Christ,
Alejandro and Melissa.
